MCCARTHY IS GUILTY

The Jury Finds He Chewed Wife's Ear.

CHINESE EDITOR IS SENTENCED

Judge Gear Imposes Month's Imprisonment for Libel—Magoon Reports.

Crimp McCarthy was found guilty in the Circuit Court yesterday of an attempt to commit mayhem. McCarthy was just out of prison when he had another fight with his wife, Katie Akai, in which he chewed her left ear until that member was almost severed and also badly lacerated other portions of her anatomy with his teeth. So skillfully did the surgeons bind up the wound that the marks of McCarthy's teeth were hardly noticeable, and Judge Gear, ruling upon the motion of George Davis, held that in order to convict for mayhem, it was necessary to prove that the wound was noticeable and marred the beauty of the prosecuting witness. In lieu of that, which the skill of the surgeons made impossible, the jury returned a verdict of guilty of the attempt at the crime. Judge Gear will pronounce sentence this morning.

EDITOR SENTENCED TO JAIL.

Judge Gear considered newspaper editors generally, yesterday, in sentencing Wong Suey King, the Chinese convicted of criminal libel, to imprisonment for thirty days. Incidentally, he touched on the prevailing trouble between the Consul's party and the Bow Wongs.

When the defendant was called up for sentence yesterday, Attorney McClanahan made a strong plea for a money fine, but neither the court nor the prosecuting witness could see it in that light. "This is a matter within the discretion of the court, and I submit that a money fine would be sufficient," said Mr. McClanahan. "The court should consider well before imprisoning this man. This defendant is a man against whom no word touching his character has been raised. He is not versed in the English language, and is uneducated and untrained in our tongue. The evidence shows that in publishing the libellous article he thought he was doing right, and there has been no malice shown in the act. He believed in the truth of the article, and I believe it would be unjust to send him to jail, when the imposition of a money fine would meet the ends of justice, and have a salutary effect and deter him from the publication of anything further of a libellous nature. Ignorance of the facts led to the publication in the first instance, and now he is fully cognizant of the libel laws in the Territory."

Mr. Andrews replied: "I beg to differ with Mr. McClanahan in this case. The defendant took the responsibility for this libel, and now he should take the responsibility for the punishment. This article was published maliciously and willfully, and with the intent to injure Mr. Poon. This defendant is surrounded by rich Chinese who are willing to pay whatever fine should be imposed. Imprisonment is the only deterrent for acts of this kind, and an example should be made, to show the newspapers of this land that they cannot attack people without punishment. This defendant is clever and clever enough to attempt to escape the responsibility for his action, and has published a paper long enough to know what the laws here are. He not only published the article, but added to the libel by attempting to prove it. Imprisonment would have a salutary effect not only on this man but also upon others."

"The court realizes that the finding of the jury of a verdict for libel in the second degree was virtually a recommendation for clemency," said Judge Gear in passing sentence. "This man is the editor of a newspaper, and it is true that editors are not necessarily of the criminal class, but the Legislature in its wisdom has provided a law which imposes fine or imprisonment for persons convicted of libel. The court agrees entirely with the attorney for the prosecution, that this man should be punished by more than a money fine. The fact that this defendant is a Chinese will have something to do with the sentence to be imposed, though it appears to me that all persons are presumed to know the law. It is evident, though, that he doesn't thoroughly understand the law, as some of the editors of other papers here do. If a fine was imposed it would be paid by the Chinese friends of the defendant. It would simply be a tax upon the organization known as the Bow Wongs, and would result in the hat being carried around to its members to raise the amount. There appears to be a rivalry between the Bow Wongs and the friends of the Chinese Consul, and this has led to the present during the trial of the case. I do not believe a money fine would be sufficient punishment, but I have received Mr. McClanahan's statement in good faith, and it will be taken into consideration. It has been said that I have been too lenient in the past, and I may be too lenient now, but I will not impose the full penalty of the law, and will sentence the defendant to imprisonment for thirty days."

Exceptions were taken by the defendant and notice of appeal given. The defendant was released upon furnishing bond in the sum of \$500.

BEFORE HUMPHREYS.

Judge Humphreys was occupied yesterday in the hearing of the case of Paris vs. Magoon. All the witnesses from Hawaii were examined, but the trial will consume several more days.

THE KONA MATTER.

Judge Humphreys made the following order yesterday in the matter of the Kona Sugar Company:

"It appearing to my satisfaction by

the record herein and by representations made to me by the receiver that it is impossible for said receiver to negotiate funds with which to operate the plantation of the Kona Sugar Co., Ltd., and to harvest the crop thereupon growing, it is hereby ordered that said receiver do employ such agents as may be sufficient to care for and protect the live stock and other personal property in and upon and about said plantation, and except for the employment of such servants, the receiver is not required to incur any personal financial responsibility in and about the conduct of said plantation.

"Done at chambers this fourth day of March, A. D. 1902.

"A. S. HUMPHREYS."

COURT NOTES.

J. Alfred Magoon has filed his accounts as guardian of Rebecca Patee, spendthrift, showing receipts for the year 1900 of \$9,140.62, and expenditures of \$8,982.69. In 1901 receipts were given \$2,545.00, and expenditures of \$2,552.97, showing a balance of \$69.12. The value of the estate is given as follows: Notes secured by mortgage, \$9,343.54; real estate, \$6,375.

J. A. Magoon has also filed his accounts as trustee of the estate of J. F. O. Banning. The receipts are given as \$7,895, and the expenditures were \$7,375. The value of the estate is placed at \$74,055.

Judgment by default has been entered in the case of Yee Wo Chan Co. vs. Chong Sol Fow.

Valuable Library Addition.

Mrs. Mary Hendricks, of Kaimuki, has presented the Young Men's Christian Association library with fifty or sixty books, some of them being early editions of poetical works, with fine steel engravings. Among them are Moore's, Byron's and Tennyson's works, dating back from half a century to seventy years ago. There is also a fine edition of books relating to the great London exhibition of 1851, containing some handsome steel engravings. The books are very acceptable, and will soon be listed and put on the library shelves.

DANDRUFF CAUSED BY A GERM.

A New Discovery That Kills the Germ and Prevents Baldness.

Pretty nearly all the hair preparations for dandruff have some merit in allaying itching of the scalp, and in being a fairly good dressing for the hair, but there is only one that recognizes what causes dandruff, falling hair and baldness, and that destroys the cause, a little germ—and that is Newbro's Herpicide. This germ eats its way into the scalp, down to the hair root, where it says that vitality, causing dandruff as it dies up the scalp into little white scales. Unless it is destroyed there's no permanent stopping of falling hair and cure of dandruff and baldness. Newbro's Herpicide kills the germ. "Destroy the cause, you remove the effect."

Eight assay offices in the Cripple Creek district of Colorado, were blown up with dynamite, believed to be due to ore thieves. Mine owners say they have been robbed of \$2,500,000 in high grade ores in a year.
